

NHRS MEMBER SATISFACTION SURVEY SUMMARY

Overview

NHRS has been utilizing member satisfaction surveys since July 2013. The following summary provides a high-level overview of key survey results for Member Services and from weekly telephone surveys of randomly selected stakeholders by the Executive Director. Negative comments are identified when responses are received, and in keeping with our mission to provide superior service, managers reach out to anyone who had an unsatisfactory experience and provided their name and/or contact information.
